

# **The Charter of the United Nations**

**I will assign you one chapter of the Charter of the United Nations.**

**Working with ONE (1) partner, you will:**

- 1. Read the assigned chapter of the Charter of the United Nations together.**
- 2. Decide what the major themes of your chapter are.**
- 3. Make a poster of the major themes of your chapter.**

**Be creative in translating the information included in your chapter to a poster. Use drawings, collages, or designs to present the information.**

**You will be presenting this information and your poster to the class. Please be prepared to interpret your artwork and explain the function of your chapter of the Charter.**

**You have only today's class period to complete your poster, so work quickly.**
